**Big expertise. Real convenience. Concrete commitment.**

## Boot Thong

- One size fits all and weigh only 250gm each
- No boot prints on the new concrete
- Complies with OH & S, you still have your safety footwear on your feet
- Rubber sole and synthetic upper

- Velcro Straps for ease of fitting and removing, no clogged buckles
- Suited to any trade when entering buildings with dirty boots -  
First slip on the Boot Thongs  
Your feet are safe and the building owner is happy.
