In, on & around concrete

TROWEL HOLSTER

☎ **1300 659 830** 🖱 www.formdirect.com.au

Big expertise. Real convenience. Concrete commitment.

Mag Float Holster

No more lost or broken Mag Floats

It's on your hip when you're pouring and finishing concrete

Trowel Master

Wear it on your belt or swing it from your Trowel Machine

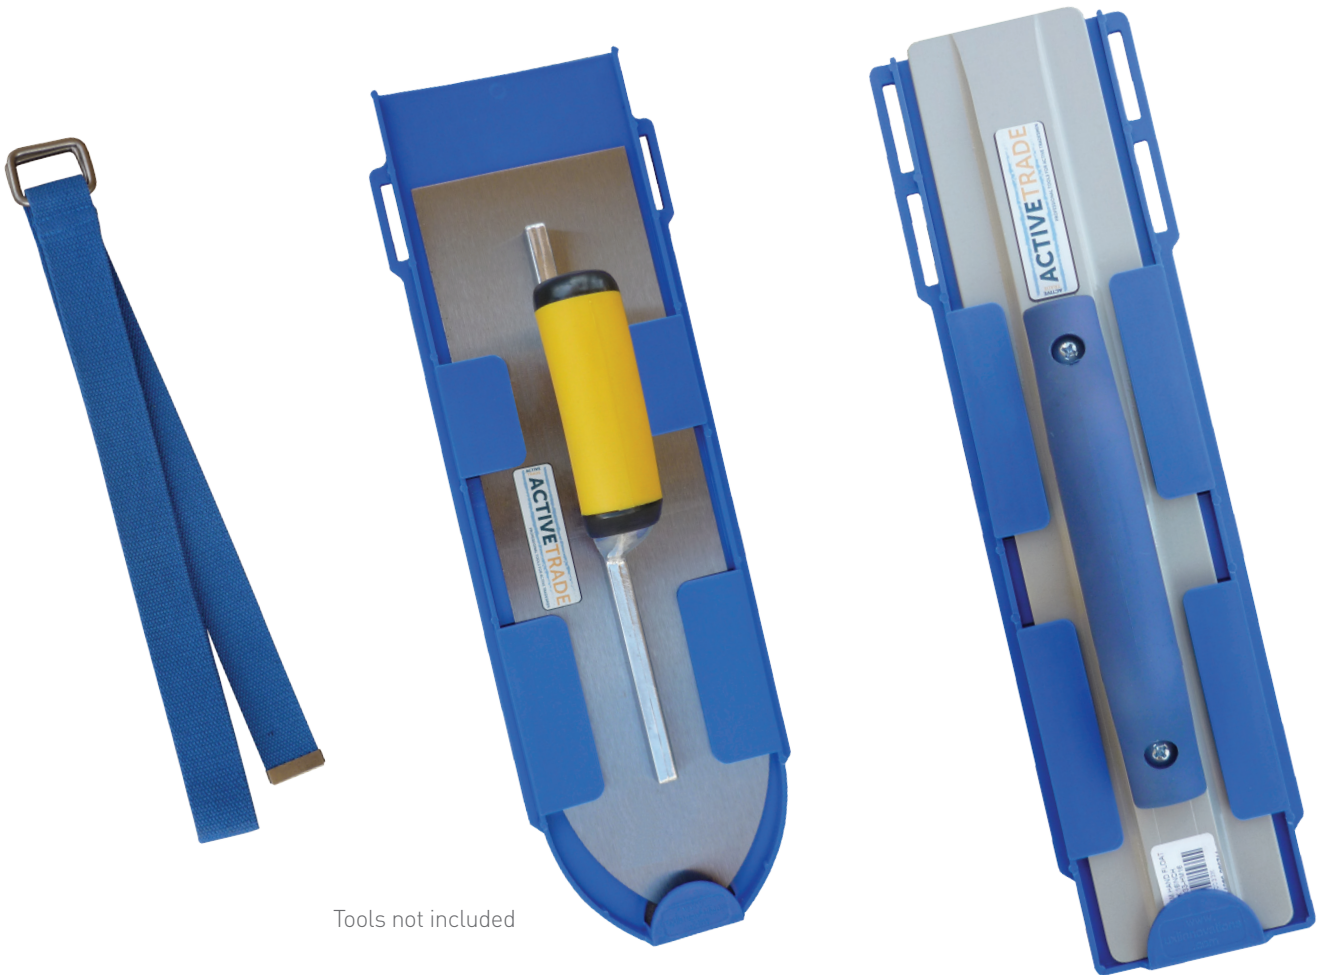

Protect your finishing trowels edge when it's in the tool box

Invented by a concreter for concretors

- Tried and Tested
- Concreting is hard enough... make it a little easier.
- Work smarter
